# TWO CAMPAIGN SONGS

WRITTEN BY

# M. F. BIGNEY,

## No. 1.

DEDICATED TO THE EVERETT GUARDS.

Sound, sound the bell! your banners wave!
The people in their might
Are marching forth to victory,
Still guided by the light—
The living light, whose radiant gleams
Our fathers used to guide
When Heaven silvered every cloud
And battled on their side:
THE UNION, where our banners wave,
Appears in lines of gold;
THE CONSTITUTION, as a page
Of wisdom, is unrolled;
AND LAWS, enforced on Northern hills,
As on the Southern plain,
Shall check the force of rebel strife,
And peacefully restrain.

Sound, sound the bell for EVERETT,
Ring out a peal for BELL.
Kentucky takes the echo up—
List to her bugle-swell!
She stirs the nation's pulse with joy!
Let Louisiana rise
In Union strength, with bannered hosts,
To join the true and wise.
THE UNION, where our banners wave,
Appears in lines of gold;
THE CONSTITUTION, as a page
Of wisdom is unrolled;
AND LAWS, enforced on Northern hills
As on the Southern plain,
Shall check the force of rebel strife,
And peacefully restrain.

## No. 2.

DEDICATED TO THE YOUNG BELL RINGERS.

For Bell and Everett!
For Bell and Everett!
Let our tintinabulations fill the air;
For Bell and Everett!
For Bell and Everett!
Who are worthy our full confidence to share.
With Bell and Everett,
With Bell and Everett,
The Union, still the Union is the cry;
With Bell and Everett,
With Bell and Everett,
The hosts of opposition we'll defy.

For Bell and Everett,
For Bell and Everett,
Our banners are now floating in the breeze;
For Bell and Everett,
For Bell and Everett,
Will support all constitutional decrees;
With Bell and Everett,
With Bell and Everett,
We will drive away Disunion from the field;
With Bell and Everett,
With Bell and Everett,
We'll twine the victor's laurel round our shield.
